The Love you!

May 16 1935

Dearest Mom,

Mom, we hope that Mother's Day

Is specially nice for you

Just filled with lots of happiness

And lots of gladness, too

And then we're also hoping

That this will help to show

We think of you more lovingly

Than you can ever know

Wishing You  
Life's Nicest Things Always, Mom

From all of us, Editha Ann, Harvey,  
Jan, and ours. Next week we  
will get your living room drapes  
and your bedroom curtains  
renewed or shortened. That will be

Our Love and Prayers  
to you today and Always,  
You are the greatest room.  
Ivan and Allen  
& Jan.

Mother's day love from all of us.
